

物理系電腦室公告:

各位老師同學大家好，過去健雄館無線網路“NCUPHY”無身分認證，若遇進行可疑活動之用戶，無法確認其身分。因此，我們建立了新的WiFi無線網路“NCUPHY_WIFI_SYSTEM”，使用者須先以NCU Portal帳號登入認證，認證後七天內不需重複進行認證

帳號密碼範例:

WiFi 名稱: NCUPHY_WIFI_SYSTEM
帳號: 110202599@cc.ncu.edu.tw
密碼: [Portal 密碼]

寒假期間為試營運階段，請各位師生盡量使用需登入之新的“NCUPHY_WIFI_SYSTEM”，以利我們評估系統可乘載的流量，若遇到任何問題或有任何建議，煩請聯絡電腦室信箱 ncuphycomputerop@gmail.com，感謝!

電腦室 敬上

Announcement:

This is an announcement about the new WiFi system in department of physics. Considering the difficulties to identify the user information who are using the “NCUPHY” with suspicious activity, we set up a new public WiFi “NCUPHY_WIFI_SYSTEM” requiring the authentication with your own portal account. Once you reach the certificate, it is no need to log in again within 7 days.

Account and password example:

WiFi SSID: NCUPHY_WIFI_SYSTEM
Account: 110202599@cc.ncu.edu.tw
Password: [Portal Password]

The system will be put into trial operation during the winter vacation. Please use the new WiFi system as possible for testing. Please feel free to contact via email (ncuphycomputerop@gmail.com), If you have any comment/suggestion or meet any problem with the use of new WiFi. Thank you!

Sincerely,

NCUPHYCR
