

Mini-workshop on Strong Field QED Physics

2024.01.18 (Thu.) 9:30-12:00

Venue: S4-625(Department of Physics, NCU)

Program

09:30 - 10:30 Prof. Shih-Yuin Lin

(National Changhua U of Education)

Towards the Quantum Radiation by Relativistic
Single-Electron Wavepackets

10:30 - 11:30 Prof. Sang Pyo Kim

(Kunsan National University, Korea)

Strong Field QED Physics using Ultra-Intense Lasers

11:30 - 12:00 Free Discussion
